## **MARY CLINTON SCHOLARSHIP AWARD UP TO \$1,000.00**

The Redding Garden Club is very proud to continue its tradition of awarding scholarship funds to applicants studying in the fields of horticulture, conservation and the environment.

The scholarship is named for Mary Clinton, a former Club member, an avid gardener, and a dear friend of the RGC and the Town.

The scholarship program awards monies to applicants who are legal residents of the Town of Redding, Connecticut, and who are beginning or continuing their study in the fields of agriculture, horticulture, landscape or floral design, forestry, biology, environmental studies, conservation or related areas (as approved by the committee). Applicants must be high school seniors, current college students or adult learners majoring in one of the aforementioned fields of study or participating in an adult learning program such as the Master Gardener program or other gardening or landscaping certification program.

The scholarship committee will award up to a total of \$1,000.00 per academic year to one or more applicants. The amount of the individual scholarship is dependent on the number of awards granted each year.

Scholarships are awarded on a rolling basis from November through April of each academic year. All applications received will receive a note of acknowledgement from the scholarship committee.

If you are interested in applying for an award, please do the following:

- complete the application
- write a short essay explaining your field of interest and any careers plans
- provide a recommendation letter from a teacher, guidance counselor or employer

Mail the application, essay and recommendation to:

Liz Hallinan, Scholarship Chair  
60 Drummer Lane  
Redding, CT 06896
